Citizen's petition: a better centre for Fürth instead of an over-dimensioned shopping centre. Sign here and now!

Dear Fellow Citizens,

The city of Fürth intends to hand over city planning to an investor. Plans are being drawn up for a shopping centre called the "Neue Mitte" (New Centre) as large as the City Centre to be built in the heart of Fürth. These plans include the sale of the Rudolf-Breitscheid-Straße, which is then no longer available for public use, and the demolition of seven historical buildings.

To stop this scheme and ensure better planning for building on this site, a group of Fürth citizens have joined together to form a Citizens' Initiative ("Bürgerinitiative") called "A Better Centre for Fürth" ("eine bessere Mitte für Fürth").

With this petition, we, the Citizens' Initiative, aim to make sure that the street is not sold, and to do this we need 5,000 signatures from people living in Fürth. All EU citizens over 18 who are registered and eligible to vote in the city of Fürth are entitled to sign this petition.

We appeal to you to give us your signature to support a lively city shopping centre with a well-balanced mixture of retail shops, restaurants and cafes, services, living, culture and entertainment.

Yours sincerely,

Your Citizens' Initiative "A Better Centre for Fürth"
